

MINOR SOCCER ASSOCIATION

2010 Referee Application Form

Are you 12 years of age or older and looking to earn some spending money this summer? Do you enjoy the game of soccer and would be interested in extending your knowledge of the game? Are you interested in attaining a summer job that provides you with valuable leadership experience, which will be beneficial for future job applications?

If you answered yes to any or all of these questions above, than becoming a youth soccer referee would be a perfect fit for you!!!!

At Strathroy-Caradoc Minor Soccer Association, we pride ourselves in developing and educating youth (12 years or older by Jan. 1, 2010) who are interested in becoming Youth Soccer Referees. We offer education and training sessions taught by experienced adult referees and certified Ontario Soccer Association educators at no cost to the applicant in hopes to draw him/her to and prepare him/her for their position as a referee. Along with this education, SCMSA provides each new referee with a uniform for the season. In conjunction with the Youth Referee Co-ordinator, the applicant will create a schedule, which is flexible to his/her soccer schedule and vacation plans. SCMSA offers very excellent game fees, and the opportunity to receive a per game bonus if the applicant completes all the education, attends all games they are assigned and returns the loaned uniform. We in the Referee department recognize what an excellent opportunity this is for young soccer enthusiasts who are especially interested in the game, and try to do everything we can to insure that their officiating experience is a successful one. We encourage you to fill out an application form attached below, and if you have any concerns or questions you can contact Matt McCready at mmccrea5@uwo.ca.

Yours in Refereeing,

Matt McCready
