

STRATHROY-CARADOC MINOR SOCCER ASSOCIATION

PASS BACK

uniform outreach program

FOR THE GOOD OF THE GAME

With the support of participating soccer parents, the Strathroy-Caradoc Minor Soccer Association (SMSA) has been able to implement the PASS BACK: UNIFORM OUTREACH PROGRAM, which in the past six years has outfitted teams in Zambia, South Africa, Columbia, Portugal, Cuba and Guatemala, whose soccer passion is equal to ours, but who cannot afford even the most basic equipment.

The SMSA is able to fulfil these deserving soccer dreams, when soccer players, donate to our organization, their used, but still playable, shoes, balls, uniforms, shinguards, and gloves. The SMSA's PASS BACK PROGRAM was very well received in 2005, and in the latter part of November 2005, the SMSA's PASS BACK PROGRAM, with the co-operation of ORPHANS OF CANADA, was able to donate uniforms and equipment to those players in GUATEMALA, who needed them the most.

TOGETHER ... we have made the soccer dreams of players in these countries come true! A special thank you to all the soccer parents who continue to support this program. The SMSA looks forward to the 2006 soccer season. Donations are always accepted year-round at Strathroy Print & Litho, 343 Metcalfe Street East, Strathroy, during regular business hours.
