"where soccer never sleeps"

The Township of Strathroy-Caradoc recently installed a dewatering system for the Parkview Estates, which included the installation of a subsurface perimeter drain around the entire subdivision. Construction of the perimeter drain affected two fields at the Van Dyk Soccer Complex, and though it was originally thought that these fields would be up and running for the start of our season, the SMSA was recently notified by the Township of Strathroy-Caradoc that this project will affect the use of Van Dyk 4 and Van Dyk 5 for the month of May. To accommodate this request, our organization has had to change twelve games currently scheduled on these fields for the month of May. Regular scheduled games will resume in the month of June as outlined in your Soccer Handbook. Also, please note that three errors were found in the game schedule of the Tyke Under 7 Division. The corrected game schedule is included below. Should you have any questions about these changes, please contact your convenor.
