A Report from the

THE SOCCER LIFE

Welcome everyone to a new soccer season. It's a beautiful game to play. I would like to start by saying thank you to all the Moms and Dads for enrolling your children in the Strathroy-Caradoc Minor Soccer program, which offers in-house programs, as well as rec programs. We can also say, yes, soccer is a beautiful game, also one of the most active sports, and affordable to all. Soccer in North America keeps thousands of kids involved and they enjoy to play with their friends and family.

Soccer has always been my game for over thirty years (and counting!). Soccer is growing at a very fast pace and will continue to grow. Our goal as a Board is to ensure that all the kids have fun, have safe, and proper facilities to play and practice, to improve in their ball skills and game preparations. Also, that parents get what they're paying for in their child's enrollment.

As President, I would like to thank our Recreational Director and his staff for working with us and doing a great job on the fields and the soccer facilities. Once again, we will enforcing our ZERO TOLERANCE rule.

I would like to thank all the local and outside sponsors for supporting this game now and in the past. I would also like to thank my Board Members for their hard work. Have fun, play safe and score lots of goals. See you on the field!

Have Fun! Play Safe! Go For Goal!

Sincerely,

Duarte Viveiros

We Salute You!

WELCOME TO THE **Soccer Zone**

In recent months, the national media has focused on the negative, even violent behaviour of players, coaches and parents involved in youth sports.

In a proactive effort to counteract this trend of violence, the SMSA is initiating a program called the **SOCCER ZONE**.

As part of the SMSA's education agenda, the **SOCCER ZONE** is a dynamic program targeted to eliminate negative sideline behaviour. It is aimed toward producing a thoroughly positive impact on everyone involved in youth soccer. To execute this program, two basic elements are involved:

- 1) **POSITIVE BEHAVIOUR STANDARDS**
Spectators who abide the posted standards are welcome -- all others are not.

- 2) **THE PLEDGE**
We request that all parents sign the pledge that holds them to the **SOCCER ZONE** standards.

In order to make this program work, **WE NEED YOUR HELP!**

Hey Ref! *are you blind?*

ZERO TOLERANCE STAND AGAINST REFEREE INTIMIDATION

As a coach, you want what is best for the children on your team. You are concerned about safety, about developing self-confidence in your team members, and providing an enjoyable experience for the children. It takes years to form a soccer player. Both coaches and parents have key parts to play in this development.

Now imagine your child in a few years (12, 13 or 14 years old), still playing soccer and trying something new: **BEING A REFEREE**. Imagine how intimidating it is to step onto the field and officiate your **FIRST GAMES**. We ask that you be **PATIENT** with our young referees. **DO NOT** do or say anything to put him or her down, or to destroy his or her self confidence. Give him or her time to learn.

Reffing is a very good learning experience for our young people. The SMSA has been spending time and energy building up a youth referee program. Because the SMSA believes that developing skills in our youngsters is of **EXTREME IMPORTANCE**, it has adopted a **ZERO TOLERANCE** policy with respect to the **INTIMIDATION** or **ABUSE** of refs. The Club Head Referee, Sean McCready, will be around the pitches to enforce the **ZERO TOLERANCE POLICY** and will deal with any situations needing to be dealt with. Any infringement should be reported **IMMEDIATELY** to Sean McCready, 245-4570.

What Is Timbit Soccer?

The Timbit Soccer Program, sponsored by Tim Hortons Strathroy, is designed for boys and girls ages 4 and 5 (born in 2005 and 2006). Teams of SEVEN-ASIDE play in a house-league setting, with games scheduled solely at the Van Dyk soccer facilities, located on York Street.

Timbit Soccer is played on a smaller field, uses a smaller ball, smaller goals and a more simplified set of rules. Games are divided into four quarters of eight minutes, and **ALLOW ONE COACH** on the field at all times to encourage and instruct players throughout the game. Teams **WILL SWITCH ENDS** at half time. The Timbit Soccer program emphasizes participation, friendship, effort, co-operation and enjoyment!

GAME TIME: All games begin at 6:45 PM SHARP! It is requested that you have your child at the field no later than 6:30 PM.

PLAYERS: All players must wear the uniform provided, with shirt tucked into the shorts and socks pulled up to the knee, over the shin guard.

What Is Mini Soccer?

The Mini Soccer Program, Squirt Boys Under 9 Division, is designed for boys ages 8 and 9 (born in 2001 and 2002). Teams of SEVEN-ASIDE play in a house-league setting, with games scheduled solely at the Van Dyk soccer facilities, located on York Street.

Mini Soccer is played on a smaller field, uses a smaller ball, smaller goals and a more simplified set of rules. Games are divided into two halves of twenty-four minutes. **NO COACHES ARE ALLOWED ON THE FIELD.** Teams **WILL SWITCH ENDS** at half time. The Mini Soccer program emphasizes participation, friendship, effort, co-operation and enjoyment!

GAME TIME: All games begin at 6:45 PM SHARP! It is requested that you have your child at the field no later than 6:30 PM.

PLAYERS: All players must wear the uniform provided, with shirt tucked into the shorts and socks pulled up to the knee, over the shin guard.
