## STRATHROY SOCCER UNITED WE PLAY HOUSE-LEAGUE AND COMPETITIVE

Strathroy Soccer offers both house-league and competitive soccer for boys and girls ages 4 and up. The Strathroy-Caradoc Minor Soccer Association and Middlesex United Soccer Club provide all participants with the opportunity to enjoy the beautiful game of soccer, at the level of their choice. The SMSA's house-league program provides the feeder system at the younger age groups, in addition to being the development centre for those players not quite ready to jump into the competitive field that Middlesex United offers. Both programs are dedicated to developing players, coaches and referees through nationally recognized programs, as well as developing the soccer pitches the children play on.

For over fifty years, the SMSA has offered house-league soccer programs for both boys and girls from ages 4 to 18. The SMSA delivers quality youth soccer programs which promote a fun, family environment based on the SMSA's six philosophies: *Everyone Plays, Balanced Teams, Open Registration, Positive Coaching, Good Sportsmanship* and *Player Development*. In the SMSA, everyone plays ... and everyone has fun. For more information including the 2012 registration forms and fees, please go to our website at
